

**A VOTE FOR JUSTICE**  
**CANDIDATES' SURVEY RESPONSES FOR ACT ELECTION 2016**

Response by Leigh WATSON – Independent for Ginninderra

*I would like you to know that I am standing on the major platform of affordable housing - the only candidate to do so. I actually have a strategy for doing this*

*I firmly believe that a housing first response is the only way to combat homelessness and I get a little impatient when discussions pose the question on how to solve this issue.*

*I also believe that all issues that are currently plaguing the Canberra community - gambling, domestic violence, substance abuse - can be directly traced to housing affordability and other cost of living pressures.*
