AIMS

The Archdiocese of Canberra and Goulburn seeks to empower young people to encounter Christ, live a life in the Spirit and participate in the life and mission of the Catholic Church. Over the next Three Years of Youth (Formation, Celebration and Mission), the Archdiocese will build a model of youth ministry that established discipleship pathways from Catholic schools into Church communities (Parish and ecclesial movements) and inspires young people to lead a new evangelisation.

The Youth Ministry Australia Equipping School aims to equip, empower and resource youth ministry leaders to form young people across Australia and the Asia-Pacific. The Equipping School calls youth ministry leaders to gather, be renewed in faith and equipped for ministry and mission in 2017 and beyond.

The Equipping School provides foundational formation for Youth Ministers and further professional development and faith formation for teachers. It provides the formation context for the ACU Signum Fidei Catholic Schools and Youth Ministry Certificate to be implemented for Church leaders.

Youth Ministry Equipping School covers topics including New Evangelisation - Leadership - Youth Ministry Skills - Mission - Spiritual Disciplines - CSYMA Vision and Focus Areas

In 2017, the Youth Ministry Equipping School will be conducted by Catholic Schools Youth Ministry Australia (CSYMA) in partnership with the Asia-Pacific School of Evangelisation, the Archdiocese of Canberra and Goulburn and the Australian Catholic University. These partnerships offer dynamic opportunities for youth evangelisation and the development of formation pathways in Catholic schools and Church communities.

The Youth Ministry Equipping School has the following aims:

- 1) To gather young adults, forming them in Catholic faith and equipping them for the work of evangelisation.
- 2) To send people out on mission throughout the Asia-Pacific.
- 3) To give people a rich experience of Christian community and to help them learn how community is a means of evangelisation.
- 4) To nurture and develop youth leadership in the Catholic Church.

The Equipping School provides foundational formation for Youth Ministers engaged throughout the CSYMA Network including those throughout the Archdiocese. This includes specific training for the year of mission within Schools/CEO's/Church Communities. The Equipping School also provides a further formation and PD opportunity for staff throughout the CSYMA Network.

The Equipping School consists of lectures and seminars. These include the CSYMA Vision and Focus Areas, New Evangelisation, Leadership, Prayer and Spirituality, Cross Cultural Mission, Skills needed in Ministry, Holy Spirit, Discipleship.

Each mission will give you the opportunity to put into practice what you learn at the Equipping School. Your team will plan and animate various outreaches including School Visits, Teacher Formation Conferences, Youth Rallies and mercy works including outreach to orphanages, prisons, refugee camps and other communities.

In 2017, you can participate in missions to Uganda, Europe (England and Rome), Northern Territory or India (MGL Mission).

“

The Equipping school was an incredible time of refreshment and renewal for me. It helped me to recast my vision for the ministry I've been called to and most importantly, gave me the time I needed to reconnect with The One who is the heart beat and reason for our ministry.
